PRESENT: HONORABLE WILLIAM G. COBB, U.S. MAGISTRATE JUDGE

Deputy Clerk: Katie Lynn Ogden Reporter: FTR

Counsel Appearing Telephonically: Gordon DePaoli, Simeon Herskovits, George Benesch, Stacey Simon, Andrew "Guss" Guarino, Bryan Stockton, Cassandra Jospeh, Matthew Curti, Harry Swainston, George Keel, and Michael Neville

PROCEEDINGS: TELEPHONIC STATUS CONFERENCE

1:29 p.m. Court convenes.

Following the District Court's approval of the admission to practice of the attorneys representing the United States of America (Doc. #2006, C-125-B), the court conducts this status conference to resume discussion of the Superseding Order Regarding Service and Filing in Subproceedings C-125-B on and by Unrepresented Parties (Doc. # 1957-1, C-125-B) ("amended E-Service Order").

Andrew "Guss" Guarino on behalf of the United States of America ("United States") indicates after the December 6, 2013 (Doc. # 1963, C-125-B) telephonic status conference the parties had made further revisions to the amended E-Service Order and were prepared to discuss the changes during the January 17, 2014 hearing. However, since that time the parties have not revisited the amended E-Service Order and it has yet to be addressed with the court in view of the January 17th hearing being vacated.

After hearing comments and suggestions from the parties, the court finds it appropriate to allow the parties the opportunity to revisit the latest draft of the amended E-Service Order. The parties shall circulate any comments or suggestions amongst one another and with the court before submitting a final draft. The final draft of the proposed amended E-Service Order shall be submitted no later than **Wednesday, August 6, 2014**.

MINUTES OF PROCEEDINGS

In Equity No. C-125-RCJ

Subproceedings: C-125-B and C-125-C

Date: July 1, 2014

Further discussion regarding the amended E-Service Order leads the court to propose submitting a Report and Recommendation (“R&R”) to District Judge Jones rather than the parties submitting a motion to amend the current E-Service Order (Doc. # 1874, C-125-B). The court proposes that, once the parties submit the final draft of the proposed amended E-Service Order, the court enter a R&R to District Judge Jones recommending the court adopt the proposed changes. The court explains it envisions the R&R to explain the history of the E-Service Order, the significant changes that are being proposed and the rationale for the changes.

Hearing no objection as to the court’s proposal, the parties are directed to file a joint proposed Report and Recommendation no later than **Wednesday, August 6, 2014.**¹

The court will hold a status conference on **Wednesday, August 27, 2014, at 10:00 a.m.** to address both the proposed amended E-Service Order and the proposed R&R. The court notes, if appropriate, the court will vacate the status conference should the final draft of proposed amended E-Service Order and the proposed R&R need not further revision and is appropriate to submit to District Judge Jones for his consideration.

Counsel wishing to appear telephonically for the status conference shall dial 1-877-873-8017, enter the access code 3416460, and enter the security code 82714 approximately five (5) minutes prior to the hearing.

IT IS SO ORDERED.

2:14 p.m. Court adjourns.
